Rev. 12/18 | NEV-575

The **NEW Pacoima Women's Health Center** offers comprehensive health care services to empower patients on their path to wellness. Our compassionate teams of health care professionals provide high-quality services that include:

WOMEN'S HEALTH SERVICES:

- Prenatal and postnatal care
- Breastfeeding counseling and support
- Routine breast and gynecological exams
- Cancer detection screenings
- Reproductive health services
- Contraceptive education and birth control prescriptions
- HIV /STD testing and counseling
- Nutrition counseling

An on-site Women, Infants and Children (WIC) Program is available to help pregnant/postpartum women and young children (0-5 years old) eat well and stay healthy by providing food assistance and nutrition counseling.

Schedule your APPOINTMENT today.
