

I SUPPORT YOU

2020 Campaign

The *'I Support You' Employee Giving Campaign* was born in 2000 with the idea to support a construction project, now the *'San Fernando Pathway to Wellness'*. Together for the past 19 years NEVHC employees have raised more than \$500,000 that benefits our patients programs, and this year you can continue to make a difference too. Join us!

Breathe Easy Asthma

Benefits adults and pediatric patients with asthma. The funds will buy pillow and mattress covers and medications bags.

Cuddles of Love

Encourage pregnant women to go to their trimester assessment. The funds will provide baby showers, baby items, and one large raffle items such as strollers or car seats.

Diabetes, Weight Management & Hypertension

Encourages patients to prevent or manage chronic disease. The funds will provide incentives to patients that attend the classes. Incentives include bags/totes and pill cases.

Homeless Hygiene Survival Kits Program

Will buy essential kits to our homeless patients. Kits included, women's hygiene, basic hygiene, oral hygiene, socks, and Tap cards.

Reach out and Read

Is design to improve literacy rates among our pediatric patients. The funds will provide a bilingual and age appropriate book to our pediatric patients 0-5 years.

WIC Breastfeeding Program

Provides support and encourages mothers to breastfeed for more than one year. The funds will buy nursing bras and aprons.

General Funds

Contributions will be used to support other medical, dental and behavioral health services for patient programs where funds are most needed.
