Prescription Refills on the Go
“Caring for our community’s health since 1973”

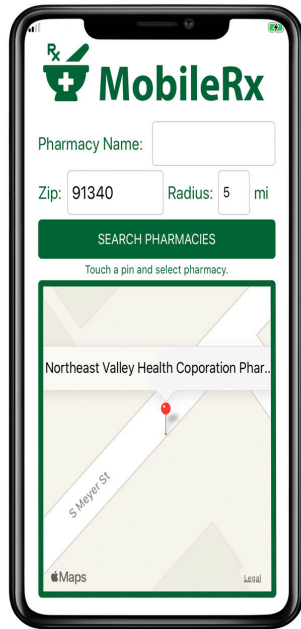

With **mobileRx** de Smith Technologies, you can use your **iPhone®** or **Android™** device to request refills while on the go. Follow the steps below to get started.

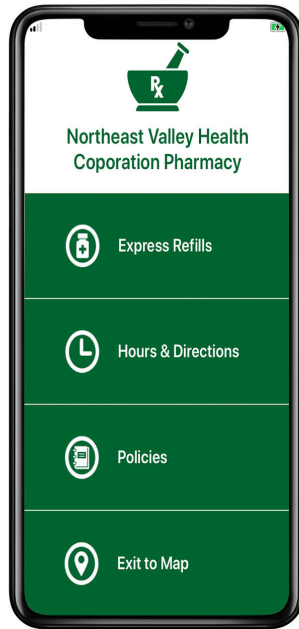

1. Get the App

To get started, search for **mobileRx pharmacy** in your app store. You can also use your smartphone camera and a **QR-code reader/scanner** application. After you've located the app, follow the next steps to set up your account and request refills.

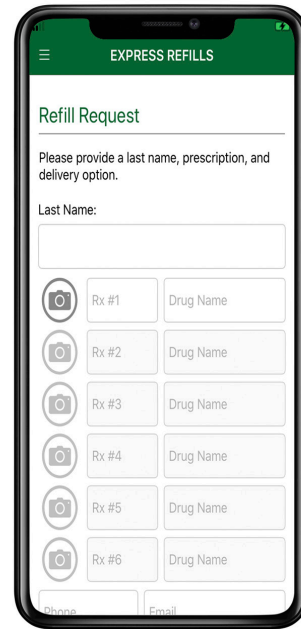

2. Find Pharmacy

To use mobileRx, you must first find your pharmacy. From the **Search Pharmacy screen**, type Northeast Valley Health Corporation or a zip code and radius. Click Northeast Valley Health Corporation location and you're in.

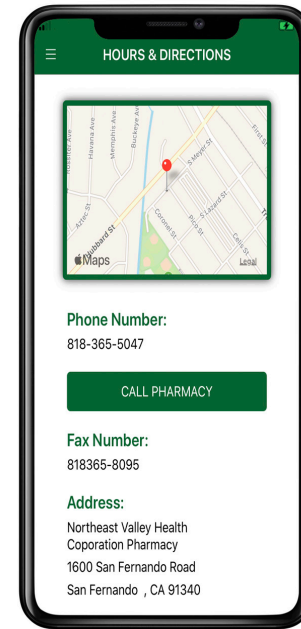

3. Home Screen

The Home screen displays several options, including **Express Refills**. Choose this to request a refill. You can enter the prescription number or tap the camera icon to scan the barcode on your current prescription label.

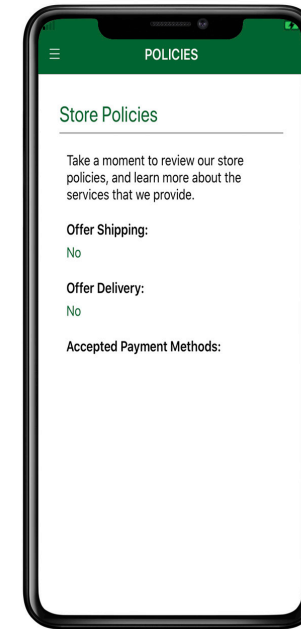

4. Express Refills

Enter up to 6 prescriptions for refill at a time by typing their Rx numbers or scanning the labels. To request more than 6 refills, just repeat the process. Choose a delivery option, and then **tap Refill**.

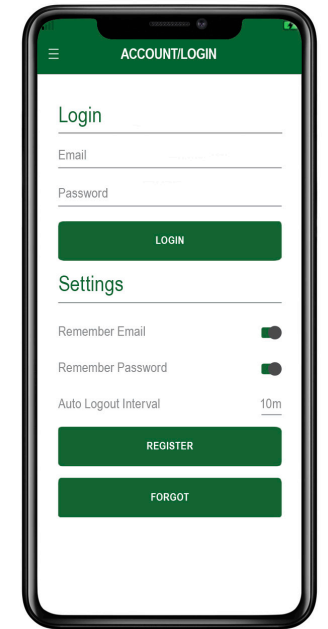

5. Hours & Directions

View information including a map of Northeast Valley Health Corporation's location, address, contact numbers, and pharmacy hours. Select **Launch Directions** to open directions to Northeast Valley Health Corporation's pharmacy.

6. Policies

From here, **review helpful store policies and learn more** about the services provided.

7. Account/Login

Create an account with an email and password to view your profile and quickly submit a refill request.
