Team NEVHC Valentines

Northeast Valley Health Corporation (NEVHC) is a nonprofit community health center with the mission to provide quality, safe and comprehensive primary care to medically underserved residents of the Santa Clarita and San Fernando valleys, regardless of a person's ability to pay. For the tenth consecutive year, NEVHC employees, along with their friends and family will participate in the Santa Clarita Marathon as Team NEVHC! We're excited to spend Valentine's weekend with those who help keep our mission alive!

Showering with Love

NEVHC's Breathe Easy Asthma Program will be showered with love! All funds raised from the marathon benefits NEVHC patients living with asthma. For 20 years, the asthma program has helped thousands of patients living with asthma learn how to effectively manage their chronic condition. Our team of professionals provides access to information and resources through our educational classes, conducts home visits and provides recommendations and supplies such as allergen-free pillows and mattress covers to decrease the chances of triggering asthma attacks.

Inspiring Team NEVHC Valentines

We need your help! Advance access to life-changing resources by sponsoring Team NEVHC in Cupid's race against asthma. Our goal is to raise funds to expand our asthma program. Your generous donation will go beyond the finish line and allow us to provide life-saving education and tools to support our patients every day. Currently, there are no available grants or programs to fund asthma prevention programs in adult asthmatics. But through NEVHC's Breathe Easy Asthma Program and with your support, our patients can live active and healthy lifestyles.

Join Team NEVHC today by becoming a sponsor!

To become a sponsor, please complete and return the TEAM NEVHC Sponsorship Reply Form to, **Attn: Development Department, NEVHC**, 1172 N. Maclay Avenue, San Fernando, CA 91340 or fax the form to **(818) 270-9592**.
