CONNECTING MINDS, BODIES AND SMILES

National Health Center Week

Every year, Northeast Valley Health Corporation (NEVHC) and community health centers nationwide come together during National Health Center Week (NHCW), **August 7-13, 2022**, to honor the mission and accomplishments of our nation's health centers. NEVHC's mission is to provide quality, safe and comprehensive primary health care to medically underserved residents of Los Angeles County, specifically San Fernando and Santa Clarita valleys, in a manner that is sensitive to the economic, social, cultural and linguistic needs of the community. NEVHC operates 17 health centers that annually provide nearly 80,000 low-income, predominantly Latinx patients with 350,000 health care visits.

Would you consider sponsoring NEVHC's National Health Center Week?

This year, we are asking our NHCW sponsors to do something extraordinary. Your NHCW sponsorship will be instrumental in helping NEVHC open a new dental center in the City of Santa Clarita in 2023 that, in addition to dental care, will offer enabling health services such as behavioral health, nutrition consultations and provide connections to all of our health services. This new dental center will replace NEVHC's Rainbow Dental Center, which closed on June 12, 2022, due to a fire. Your impact will touch the lives of thousands of residents of the San Fernando and Santa Clarita valleys by providing new equipment and support for dental center staff.

Benefits from your sponsorship of our NHCW recognition can include:

- Your company logo and name reaching 20,000 people through e-newsletters and email blasts
- 70,000 impressions from NEVHC social media channels
- Name on new dental center donor wall
- Sponsorship recognition on NEVHC homepage from August to December 2022

A full list of sponsorship levels and benefits are included in this packet.

There are three ways to submit a sponsorship: 1) visit nevhc.org/supportnhcw2022, 2) complete and return the form below with your check or 3) call **(818) 270-9579**. If you have any questions, please contact Steven Mendoza, Development Manager, at **(818) 270-9518** or StevenMendoza@nevhc.org.

I'd like to personally thank you for your investment in our communities.. **Together, we can bridge the gap between minds, bodies and smiles.**

Sincerely,

Kimberly Wyard
Chief Executive Officer
