# THE ROADMAP TO HEALTHIER COMMUNITIES

**National Health Center Week (NHCW)** is an especially inspiring time for community health centers across the nation! Every year during the second week of August, we honor the mission, staff, partners and daily work of community health centers. NEVHC considers it a privilege to expand its services this year by adding another stop to its Roadmap to Healthier Communities.

We are delighted to invite you to sponsor and attend the grand opening of our newest health center - the Van Nuys Women's and Reproductive Health Center! Join us this NHCW (week of August 7) for a tour, refreshments and to hear from distinguished guests and NEVHC leaders. Your sponsorship will play a pivotal role in supporting the expansion and services offered by centers like our new Van Nuys Women's and Reproductive Health Center.

Benefits from your sponsorship of our NHCW recognition can include:

- Your company logo and recognition on NEVHC NHCW homepage and social media
- Tickets to attend the Van Nuys Women's and Reproductive Health Center Grand Opening
- Company name on donor wall at new health center of your choice- SCV Dental and Wellness Center or Van Nuys Women's and Reproductive Health Center
- Recognition at the 50th Anniversary Gala as a NHCW sponsor

A full list of sponsorship levels and benefits are included in this packet.
