# POWERING COMMUNITIES THROUGH CARING CONNECTIONS

To celebrate National Health Center Week (NHCW), NEVHC will host an unveiling of its new mobile health center! The event will take place on **Wednesday, August 7, 2024**, from 10 a.m. to 12 p.m. at El Cariso Park in Sylmar. The unveiling will include a short program led by NEVHC executives and funders who made the new mobile health center a reality.

NHCW, observed from August 4-10, 2024, is the perfect occasion to introduce the new mobile health center! Dedicated to increasing awareness of America's 1,400+ Community Health Centers, NHCW also highlights the dedication of the staff, board members and supporters who make our work possible.

The new mobile health center will be replacing the current mobile unit that has been in operation since 2007. It will continue to focus services on patients experiencing homelessness and feature advanced equipment that is typically only available inside of a traditional health center. As a sponsor of the grand unveiling, you will receive marketing benefits that will help promote your business to key partners in the San Fernando and Santa Clarita valleys while also demonstrating your commitment to supporting our community health center.
